

Volume Controller

Volume Controller (1 / 2)				
No.	Product	Mode	Ref Pic	Specification
1	Volume Attenuator	VT-006		Volume controller, handling 6W power, 87 x 87 mm, depth 24mm
2	Volume Attenuator	VT-030		Volume controller, handling 30W power, 87 x 87 mm, depth 40mm
3	Volume Attenuator	VT-060		Volume controller, handling 60W power, 87 x 87 mm, depth 50mm
4	Volume Attenuator	VT-120		Volume controller, handling 120W power, 87 x 87 mm, depth 50mm
5	Volume Attenuator	VT-006E		Volume controller, handling 6W power, 87 x 87 mm, depth 24mm, with EMC input
6	Volume Attenuator	VT-030E		Volume controller, handling 30W power, 87 x 87 mm, depth 40mm, with EMC input
7	Volume Attenuator	VT-060E		Volume controller, handling 60W power, 87 x 87 mm, depth 50mm, with EMC input
8	Volume Attenuator	VT-120E		Volume controller, handling 120W power, 87 x 87 mm, depth 50mm, with EMC input
9	Volume Attenuator	VT-1006		Volume controller, handling 6W power, 87 x 87 mm, depth 24mm
10	Volume Attenuator	VT-1030		Volume controller, handling 30W power, 87 x 87 mm, depth 40mm
11	Volume Attenuator	VT-1060		Volume controller, handling 60W power, 87 x 87 mm, depth 50mm
12	Volume Attenuator	VT-1120		Volume controller, handling 120W power, 87 x 87 mm, depth 50mm
13	Volume Attenuator	VT-1006E		Volume controller, handling 6W power, 87 x 87 mm, depth 24mm, with EMC input
14	Volume Attenuator	VT-1030E		Volume controller, handling 30W power, 87 x 87 mm, depth 40mm, with EMC input
15	Volume Attenuator	VT-1060E		Volume controller, handling 60W power, 87 x 87 mm, depth 50mm, with EMC input
16	Volume Attenuator	VT-1120E		Volume controller, handling 120W power, 87 x 87 mm, depth 50mm, with EMC input

Volume Controller

Volume Controller (2 / 2)				
No.	Product	Mode	Ref Pic	Specification
17	Volume Attenuator	VT-2006		Volume controller, handling 6W power, 86 x 86 mm, program selector
18	Volume Attenuator with Source Selector	VT-2030		Volume controller, handling 30W power, 86 x 86 mm, program selector
19	Volume Attenuator with Source Selector	VT-2060		Volume controller, handling 60W power, 86 x 86 mm, program selector
20	Volume Attenuator with Source Selector	VT-2120		Volume controller, handling 120W power, 86 x 86 mm, program selector
21	Volume Attenuator with Source Selector	VT-2006E		Volume controller, handling 6W power, 86 x 86 mm, program selector, with EMC input
22	Volume Attenuator with Source Selector	VT-2030E		Volume controller, handling 30W power, 86 x 86 mm, program selector, with EMC input
23	Volume Attenuator with Source Selector	VT-2060E		Volume controller, handling 60W power, 86 x 86 mm, program selector, with EMC input
24	Volume Attenuator with Source Selector	VT-2120E		Volume controller, handling 120W power, 86 x 86 mm, program selector, with EMC input
25	Volume Attenuator	VT-3006		Volume controller, handling 6W power, 115 x 24 mm, program selector
26	Volume Attenuator	VT-3030		Volume controller, handling 30W power, 115 x 40 mm, program selector
27	Volume Attenuator	VT-3060		Volume controller, handling 60W power, 115 x 50 mm, program selector
28	Volume Attenuator	VT-3120		Volume controller, handling 120W power, 115 x 50 mm, program selector
29	Volume Attenuator	VT-3006E		Volume controller, handling 6W power, 115 x 24 mm, program selector, with EMC input
30	Volume Attenuator	VT-3030E		Volume controller, handling 30W power, 115 x 40 mm, program selector, with EMC input
31	Volume Attenuator	VT-3060E		Volume controller, handling 60W power, 115 x 50 mm, program selector, with EMC input
32	Volume Attenuator	VT-3120E		Volume controller, handling 120W power, 115 x 50 mm, program selector, with EMC input
