

Horn Speaker

| Horn Speaker | | | | |
|--------------|--------------|--------|---|---|
| No. | Product | Mode | Ref Pic | Specification |
| 1 | Horn Speaker | PH-A15 |  | All weather resistant waterproof horn speaker, designed in durable aluminium body, frequency response 450~5KHz, rated power 15W, input voltage 70V/100 Volt, size \varnothing 200x230mm |
| 2 | Horn Speaker | PH-A30 | | All weather resistant waterproof horn speaker, designed in durable aluminium body, frequency response 380~6KHz, rated power 30W, input voltage 70V/100 Volt, size \varnothing 246x292mm |
| 3 | Horn Speaker | PH-A50 | | All weather resistant waterproof horn speaker, designed in durable aluminium body, frequency response 350~7KHz, rated power 50W, input voltage 70V/100 Volt, size \varnothing 325x350mm |
| 4 | Horn Speaker | PH-B10 |  | All weather resistant waterproof horn speaker, designed in durable ABS body, frequency response 400~8KHz, rated power 10W, input voltage 70V/100 Volt, size \varnothing 140x190mm |
| 5 | Horn Speaker | PH-B15 | | All weather resistant waterproof horn speaker, designed in durable ABS body, frequency response 350~8KHz, rated power 15W, input voltage 70V/100 Volt, size \varnothing 200x230mm |
| 6 | Horn Speaker | PH-B30 | | All weather resistant waterproof horn speaker, designed in durable ABS body, frequency response 300~8KHz, rated power 30W, input voltage 70V/100 Volt, size \varnothing 246x292mm |
| 7 | Horn Speaker | PH-C15 |  | All weather resistant waterproof horn speaker, designed in durable ABS body, frequency response 310~8KHz, rated power 15W, input voltage 70V/100 Volt, size 228x149X232mm |
| 8 | Horn Speaker | PH-C30 | | All weather resistant waterproof horn speaker, designed in durable ABS body, frequency response 300~8KHz, rated power 30W, input voltage 70V/100 Volt, size 325x185x300mm |
| 9 | Horn Speaker | PH-930 |  | All weather resistant waterproof horn speaker, designed in durable ABS body, frequency response 100~10KHz, rated power 30W, input voltage 70V/100 Volt, size 366x165x272mm |
| 10 | Horn Speaker | PH-950 |  | All weather resistant waterproof horn speaker, designed in durable ABS body, frequency response 90~20KHz, rated power 50W, input voltage 70V/100 Volt, size 362x252x310mm |
